

DID YOU KNOW?
 For projects that involve over 20% of the roof system/ replacement of structural elements, certification is mandatory.

RE-ROOFING CERTIFICATION SERVICES

THE BA&A TEAM

Growing from a family owned company, Building Approvals & Advice has extensive experience in the construction industry.

Awarded **Building Certification Team of the Year 2016, 2017, 2018 and 2019** by the Royal Institute of Chartered Surveyors (RICS), our specialised re-roofing team is committed to providing safer homes for Queenslanders.

With 20 years of experience in the construction industry as a Structural Engineer and Building Certifier, **Michael** has been the Director of BA&A for 8 years.

Certifier's Assistant **Elizabeth** has been working with BA&A for over 10 years, specialising in re-roofing approvals.

BA&A SUPPORT

Our role is to support you to comply with all National Construction Code (NCC), Queensland Development Code (QDC) and Australian Standards (AS).

BA&A works to support all construction stakeholders to ensure **every project is safe**.

The BA&A team will help you to find solutions to compliance issues. We provide detailed insights about code adherence and safety standards.

Our team is passionate about keeping our clients up to date with industry changes:

- We are industry association members (Metal Roofing Industry Association of Queensland)
- We attend industry events
- We host CPD sessions and workshops

BA&A BENEFITS

- **Quick turn-around for quotes**

- **Innovative technology:** same day inspection reports from site. Our efficient online system gives you control over your building approvals

- **VIP Client Portal - enjoy shared access to your building approvals:** upload plans and documentation, view projects and review key documents.

WHAT OUR CLIENTS SAY ABOUT

“We partner with BA&A because the team offers technical know-how. They understand the importance of the end goal - working together to find favourable solutions that also meet the mandatory requirements.”

- Stephane Rebibou, **Booth Engineers**

“ A seamless process. It’s good that BA&A never need to be chased - they deliver a quick turnaround.”

- Phil Cowie, **Cowie Builders**

“ I appreciate all the help and explanation given. I felt secure in that the re-roofing process would be done properly with you looking over it.”

- **Home Owner**

WHAT WE’LL NEED

Provide these to ensure your re-roofing certification runs as smoothly and quickly as possible

- PLANS
- FORM 15 - ENGINEERING
- ENGINEERING PLANS
- QBCC INSURANCE

After our certifiers assess the plans, they’ll let you know if they require any other documentation
